

NUTRITION AND ALLERGEN INFORMATION as of March 2023

The following nutritional information is comprised of data supplied by vendors, the United States Department of Agriculture and recipe analysis utilizing Genesis SQL Nutritional Analysis Program from ESHA Research in Salem, Oregon. The reported values are based on the Food and Drug Administration menu labeling rounding guidelines. Our analysis is based on standard recipes and can differ based on customized ordering, possible changes and/or substitutions of ingredients as well as ordinary differences inherent to the time of year. Every effort is made to keep this information current. While we are committed to providing the most accurate nutritional information as possible for our menu items, differences between the actual nutritional content of your freshly prepared menu item and the nutritional values provided in this document may occur. Due to these factors, we are unable to guarantee that the nutrition content for our menu items is precisely accurate. This informational listing is continuously updated in an attempt to reflect the current status of our products. Please check back regularly to ensure you have the most current information. Note, not all items are available in all locations.

Please be aware; each menu item is prepared by hand and may come in contact with allergens during normal kitchen operations. This may include shared preparation and cooking areas, including shared fryers. Due to these circumstances, we are unable to guarantee that any menu entrée can be completely free of allergens.

NOTICE: BEFORE PLACING YOUR ORDER PLEASE INFORM YOUR SERVER OR A MANAGER IF A PERSON IN YOUR PARTY HAS A FOOD ALLERGY.
