“We are always looking for ways to innovate food and drinks to enhance our guests’ experience,” said Alex Sadowsky, executive chef at Twin Peaks. “These delicious food items will be perfect to enjoy with friends during a game, and each drink will serve as a delicious complement. We will continue to explore menu innovation in the future so we can craft and

deliver the best quality food and beverages to our guests.”

Twin Peaks welcomes every guest with primetime matchups, ice-cold 29-degree beer and now, new smoked menu items. The entire menu is prepared in-house, to order and in generous portions to satisfy every appetite.
